

Dear Friends & Partners,

Greetings to you!

I am writing you this letter as I am on my way to Damascus Syria! After a quick stop at home from South Korea, I am now headed back to the Middle East, where God continues to open doors to me that I am simply walking through.

I want to tell you of two great events that have transpired in my life over the past few weeks that can only be described as “DIVINE APPOINTMENTS”. Both events brought tears to my eyes and joy to my heart. The overwhelming thought of how God continues to use me in so many different ways, I could never have imagined just a few short years ago!

A very short time ago I was in the nation of South Korea. I was invited there, to be the main and only speaker of an annual conference held in the city of Bundang, just outside the capital city of Seoul. About halfway through the conference, I was invited to lunch by several business men who were in attendance. We went to a very exotic restaurant for a time of fellowship.

As we all took our place at the table, and I was introduced to Korean culture, the pastor who I was with leaned over to me and whispered... “JASON, DO YOU KNOW WHO IS IN FRONT OF YOU RIGHT NOW?” I said... “NO PASTOR... I DO NOT.” Then for the next few minutes the pastor began to explain who this man was. It caught my attention, because very few individuals in the earth interest me at all. I have been to so many places, and have seen so many things, that not much impresses me anymore, but I was interested none the less.

The pastor began to exhort about this man, and began to tell me of his love for God, and for his family. He also told me that this man was much sought after in the business world of Korea. Over the past few years this man had made a total of 66 trips to the neighboring country of Japan to learn and study the art of “CUSTOMER SERVICE” in

the market place. Since I have traveled the earth several times over, I was able to relate to much of what he was saying in a very personal way.

I also found out that this man worked at a “LESS THAN AVERAGE” bank in Korea. He managed the local branch in his city, but that was about it. In just a few short years this man studied the Japanese structure of “CUSTOMER SERVICE”, came back to Korea, and began to implement his findings and research into his own bank branch. He then immediately began to introduce this change into Korean culture, and success came like a flood!

Now several years later, he has authored several books due to his exhaustive research, taken a “LESS THAN AVERAGE” bank and made it the number one bank in Korea to date in the entire nation! Today, many of the major businesses in South Korea (Sony, Samsung, and Hyundai, to name a few) fly this man in to their organizations to teach their staff and employees the art of “CUSTOMER SERVICE”.

Now, here I am sitting across from this man, and he begins to speak to me in a manner that brought tears to my eyes! As I sat looking upon his countenance, he said to me... “JASON... YOU ARE THE BEST COMMUNICATOR THAT I HAVE EVER SEEN!” He said... “JASON... I WATCHED YOU AS YOU SPOKE TO THE PEOPLE VIA AN INTERPRETER. YOUR ILLUSTRATION AND COMPREHENSION OF THE GOSPEL IN RELATION TO THE COMMON MAN, MADE ALL OF US UNDERSTAND THE GOSPEL IN A WAY THAT WE HAVE NEVER SEEN BEFORE!”

As I sat at the table, it was all I could do to fight and hold back the tears that wanted to come forth! I sat in awe as this man gave me compliment after compliment in regards to my ministry! It was a time that I wish my mother could have seen her youngest son. I knew, that I knew, that I knew, MY FATHER IN HEAVEN WAS PLEASED WITH ME!!!!!! I sat looking at the people at my table, wondering their thoughts...really nothing mattered at all! I politely whispered to the man... “THANK YOU KIND SIR!”

Upon my return from South Korea, I had received an email from one of the top Muslims in America who also has one of the largest humanitarian organizations in the nation of Pakistan. He started this organization 37 years ago, and today it is still going strong! He heard about my work feeding the poor through “The Genesis Project”, and inquired of me with an invitation to formally dine with the Ambassador of Pakistan. I was shocked and in awe at the same time!

I arrived at the Hilton Hotel in Los Angeles, not knowing what to expect, and not realizing what God was about to do in my life. I entered the forum of the hotel and proceeded to the large hall where hundreds of people were gathered. I approached the registration table, gave them my name, only to find out I was the honored guest at Table #1. I remember thinking to myself... “YOU HAVE GOT TO BE KIDDING... I HAVE BEEN INVITED BY MUSLIMS TO THIS EVENT!”

As time past before we sat for dinner, I was all alone in a large room standing by myself away from everyone. I quietly whispered... "GOD... WHAT THE HECK AM I DOING HERE?... I DO NOT KNOW ONE PERSON!!!" Soon, all of us were prompted to take our seats, and I was joined by about ten or so people who were doctors, lawyers, city council men and women, AND THEN THERE WAS ME!

My friend, who invited me, asked if I would exhort the people at our table on how I started "The Genesis Project" food outreach. So, for the next 15 minutes or so I began to tell my story, as well as my travels around the world to speak the vision and begin to set up a global plan of how I would one day feed entire nations of the earth!

I do not have to tell you that I had their undivided attention! The table was silent as they sat watching and listening to every word that I spoke. What seemed normal to me captivated their attention and they asked how I was able to do what I do! I looked at all of them and asked... "IS THERE ANY OTHER WAY TO LIVE?"

At that very moment, no less than a few seconds after I was done speaking, I was instantly escorted to meet the elite of our dinner. I was introduced from table to table to every person I could imagine. I met the Pro Tem of my city in Irvine, I met council men and women, humanitarians and people I never knew existed, and yes, I met and fellowshiped with the Ambassador of Pakistan himself!

I was formally introduced as I was taken into his presence. We shook hands and spoke quietly about many things. Television and cameras were everywhere, and people were wondering who I was!

As we ended our conversation, I looked his Excellency straight into his eyes and spoke boldly and said... "MR AMBASSADOR...I WILL SEE YOU AGAIN!!!!" It was at that time I was formally invited by the Ambassador himself to the nation of Pakistan. I was then offered again by my Muslim friend to be taken to Pakistan and formally introduced to all and every Christian church in all four providences in that nation!!!!

I was soooooo overwhelmed I had to excuse myself and go to the restroom and weep! I immediately called my friend and relayed what had transpired, as we both praised God for His goodness. In that very moment I received the most awesome revelation from the Lord!

"I WAS AN AMBASSADOR FROM HEAVEN MEETING WITH AN AMBASSADOR FROM THE EARTH."

The Lord began to show me that behind all the schemes of men, the manipulation of men, the games of men, as well as all the activities of men on the earth, He was in complete control of His plan for mankind! Though gross darkness covers the earth, His

plan and purposes can never be thwarted by the wisdom of men! God is looking for those of His children who will walk by faith and trust Him and not doubt!!!!

I have a new understanding, that the temporal world that we walk in with our natural sight is no match for those who walk by faith and trust the God of heaven! With over 7 billion people on the earth today, THERE ARE ONLY A REMNANT THAT GOD CAN ACTUALLY USE FOR HIS GLORY!!!

SALUTATION, so many of us think we will never really be used by God, like those who once walked the earth in Bible days, but I tell you that is not the truth... I AM PROOF OF THIS! If He did it for me, He will do it for you, SO KEEP BELIEVING!!!!!!

Over the past year or so, I can recall several individuals that have continually said I WOULD NOT MAKE IT! AS THE EVENTS TAKING PLACE IN MY LIFE COME AND PASS, I CAN REMEMBER THE ONES THAT I LOVED THE MOST WERE THE ONES THAT HURT ME THE MOST! THEIR VERBAL ATTACKS OF DOUBT AND UNBELIEF THAT ONCE PIERCED MY SOUL, HAVE NOW BECOME SUCH A DISTANT AFTERTHOUGHT! NOW, TODAY, THOSE PAST MEMORIES ARE ALL BUT GONE... AND SO ARE THE PEOPLE THAT SPOKE THEM!!!!
